

# BEST WISHES, SANDY!

*Don't put off for tomorrow what you can do today because if you enjoy it today, you can do it again tomorrow.*  
--James Michener

***In retirement,*** you will see more often the weather report at your favorite Timeshare at Kalapaki Beach in Nawiliwili on The Garden Island of Hawaii.

And you will see more sunrises as you wait for the arrival of the cruise ships.

And see islanders waving ALOHA to visitors as ships dock at Nawiliwili Harbor.

*Retirement is an earned gift.  
Accept it with thanksgiving.  
Spend it in joy.  
Use it with satisfaction.*  
--Catherine Lo
